Source:

Country: BLS annually reports on the number of workplace injuries, illnesses, and fatalities.

"Workplace Injuries and Illnesses in 2007," Tables 1 & 2, US Dept of Labor, released 10/23/2008 <http://www.bls.gov/iif/oshsum.htm>

Indiana: BLS State Occupational Injuries, Illnesses, and Fatalities, Indiana by year, Tables 6 & 7 <http://www.bls.gov/iif/oshstate.htm#IN>

Observations:

- 4 million workplace injuries & illnesses reported in private industry
- Results in a countrywide rate of 4.2 cases per 100 full-time workers
- Lowest case rate since the BLS began reporting in the early 1970
- Indiana rate higher than countrywide rate
